## CHARTIFACTS!

**SINGLES.** **Jesse McCartney** hits a milestone this week, marking his 4<sup>th</sup> week at #1, not bad for a debut single. **Will Smith** is hot on his tail though moving up two spots to #2, which starts a chain reaction setting **Ciara** back one to #3 and in turn **50 Cent** to #4. Also this week we see a five spot leap from **P-Money** and **Scribe** securing them a spot in the Top 10 at #10.

**No.11 OBSESSION (NO ES AMOR) – Frankie J.** Born **Francisco Javier Bautista** in Tijuana, Mexico. **Frankie J** was inspired by the great entertainer **Michael Jackson**. At the age of six **Frankie** would sing "**Billy Jean**" to his family throwing them a sombrero just before doing the moonwalk (in true **MJ** style). After high school he joined the internationally successful group **Kumbia Kings**. He has also collaborated with **Baby Bash** for **Suga Suga** (#3 Apr. '04). **Frankie's** debut single **Don't Wanna Try** peaked at #81 in October 2003.

**No.34 CAUGHT UP – Ja Rule.** Hailing from Queens, New York, **Jeffery Atkins** a.k.a **Ja Rule** burst onto our scene at the end of 2001 with **Livin' It Up**, it debuted at #69 and went on to peak #6 four months later. But the action just didn't stop there, the following month **Always On Time** was released with then unheard of **Ashanti** catapulting them both to super stardom, the tracks peaks at #3.

**No.44 EXCITED – Little Birdy.** It all started in Perth - WA roughly three years ago, when the quartet made up of **Katy Steele** (vocals/guitar), **Scott O'Donoghue** (bass), **Matt Chequer** (drums) and **Simon Leach** (guitar) became **Little Birdy**. Their debut release was the self titled EP, it peaked at #27 in October 2003. It included their breakthrough tracks **Relapse** and **Baby Blue**. After a years wait the highly anticipated album was released **BigBigLove**, which debuted and peaked at #5 in October 2004.

**No.48 HOPE – Twista.** He was announced the world's fastest rapper by *The World Guinness Book of Records* more than a decade ago, and released albums under another guise **Tung Twista** before the rapper from the windy city – Chicago was even heard of here down under. **Twista** made his debut here a year ago with **Slow Jamz** featuring **Kayne West** and Academy award winner **Jamie Foxx**. The track peaked at #26 in May that year. **Hope** and **Slow Jamz** are both lifted off his album **Kamikaze** (#76 May '04).

**No.50 GIRLFIGHT – Brooke Valentine.** She is a 19 year old from Houston – Texas, who started singing at young age at her local church and school. Then at the age of 14 her path crossed with **Deja**, head honcho of *Subliminal Entertainment*. He teamed **Valentine** with two other girls and they formed **BKS (Best Kept Secret)**, they played from state to state but after graduation the girls disbanded. But in 2002 with the help from **Deja**, now her executive producer, **Brooke** landed a major record deal with **Virgin**. The new single is lifted from her forthcoming album **Chain Letter**.

**No.68 EVERYWHERE – LnM Project.** Covering the lyrics from the **Fleetwood Mac** classic of the same name, the original peaked at #45 in January 1988. Now the **LnM Projekt** have come up with their own little masterpiece, giving it a feel good vibe for any dance floor. Not to mention with a little help from New York's electro starlet **Bonnie Bailey**, who gives the vocals her own unique feel for 2005.

**No.96 TICKET TO RIDE – Syke 'n' Sugarstarr.** The men behind **Syke 'n' Sugarsarr** are Germans **Matthias Weber** and **Serhat Sakin**. They began in the music industry as DJ/producers and hooked up together purely for their driving passion for house music. In their time they have done remixes for **Mousse T**, **Disco Boys**, **Armand Van Helden**, **Gadjo**, **Hardsoul** and many more well-known names. They make their debut to the ARIANet charts this week.

**ALBUMS -** Australian artists at one, two and three! It was almost a year ago that we last saw this Aussie domination of the charts with **Kasey Chambers** #1, **John Butler Trio** #2, **Pete Murray** #3 and **Jet** #4. **Missy Higgins** holds fast this week, while **The Cat Empire** brings **Anthony Callea's** reign to an end. **Jesse McCartney** climbs a couple of spots to #5 which begs the question: Is he going to slowly climb to #1 as he did with the single of the same name? **Green Day** falls three rungs to #8. **The Killers** jump four spots, bringing them back into the Top 10 at #9. And **Michael Buble** re-enters the Top 10 at #10.

**No.1 TWO SHOES – The Cat Empire.** Melbourne's multi-ARIA nominated six-piece jazz/soul/funk combo, **The Cat Empire**, spent 28 days in Cuba recording their new album, **Two Shoes**. Apparently, all six members suffered from food poisoning while there. The album was produced by UK producer, **Jerry Boys** whose other credits include the **Buena Vista Social Club** album. **The Cat Empire's** previous chart successes include: the self-titled, debut album peaked at #15 (Feb. '04) and is still in the Top 50, **Days Like These** #37 (Feb. '04), **The Chariot** #34 (May '04) and **Sly** #23 (April '05) which is still in the Top 50. They are currently touring Australia and are playing this Friday (29<sup>th</sup>) and Saturday (30<sup>th</sup>) at Melbourne's Forum Theatre.

**No.12 LOST AND FOUND – Mudvayne.** **Mudvayne** formed in 1996 in Illinois. After two years the original bass player was replaced, leaving the current line-up: **Kud. Gurr**, **Ryknow** and **sPaG**. To coincide with the release of the album **The End Of All Things To Come** they adopted alien personas and changed their pseudonyms: **Chüd** (Kug), **Güüg** (Gurr), **R-üüD** (Ryknow) and **Spüg** (sPaG). **Lost And Found** gives them their highest ARIANet chart position to date with **L.D.50** peaking at #33 (Feb. '01) and **The End Of All Things To Come** at #44 (Dec. '02).

**No.41 MUSIC FROM THE O.C. MIX 4 – Soundtrack.** This is the 4<sup>th</sup> release of music that is featured on the popular television show, *The O.C.* as well as a *Chrismukkah* album. **Mix 1** peaked at #29 (Nov. '04) and **Mix 2** at #38 (also Nov. '04). **Mix 3: Have A Very Merry Chrismukkah** failed to make even the Top 200. **Mix 4** includes songs from **Beck**, **Modest Mouse**, **Imogen Heap**, **Futureheads** to name just a few.

**No.54 THE JUKE BOX YEARS – Daniel O'Donnell.** Born **Daniel O'Donnell**, the family was better known as **Bosco**. This is a usual practice in areas where there are many families with the same surname. **Daniel's** sister was a big influence on his career. Ten years older than him, **Margaret** had a hit single in Ireland in 1969 called **Dear God**. At about ten years of age, **Daniel** started tagging along with **Margaret**, occasionally joining her on stage. It was the song **My Donegal Shore** that **Daniel** attributes his success to. Recorded for £600 on the 9<sup>th</sup> February 1983, "the best money I ever spent," he claims. Who can argue?

**No.63 LIVE AT THE GREEK – Josh Groban.** **Josh Groban** made his debut while still in the seventh grade. He then took time out to study at the Interlochen Arts Program after which he worked with vocal coach/producer/writer/arranger **David Foster** as a rehearsal singer on a number of high-profile events. He was accepted into the Carnegie Mellon College but, instead, chose to postpone his education when he was offered a contract with Warner Bros. Records. His chart successes include **Josh Groban** (#28, July '02) and **Closer** (#25, Feb. '04).

**No.79 EMPLOYMENT – Kaiser Chiefs.** Named after the South African football team, the **Kaiser Chiefs** are **Ricky Wilson** (vocals), **Andrew White** (guitar), **Simon Rix** (bass), **Nick Baines** (keyboards) and **Nick Hodgson** (drums). The song that opened doors for them was **I Predict A Riot** which was inspired by **Wilson's** days as a club DJ in Leeds, England. **Employment** is their debut album.
